RE: Docket No. 2007-27-C – Petition of the South Carolina Public Communications Association Requesting That a Workshop Be Scheduled for the Public Communication Industry- Payphone Service Providers

Dear Mr. Rice:

This letter is in reference to your email dated January 15, 2007, wherein you recommended that the South Carolina Public Service Commission (the Commission) conduct a workshop for payphone service providers. On January 31, 2007, the Commission, during its weekly agenda meeting, instructed its Staff to contact the South Carolina Public Communications Association (SCPCA) and request that the SCPCA provide more details and specifics concerning issues the SCPCA would like to see addressed during a workshop.

Please respond in writing to the Commission by Friday, February 23, 2007, by providing more details and specific information regarding the issues the SCPCA would like to see addressed during a workshop. Also, please provide the Office of Regulatory Staff with a copy of your response to this letter.

Sincerely,

  
Judy Matthews  
Administrative Assistant
